Dedication
Mr. Stacy Budd

In the quiet moments of aftermath we reflect upon the dedication and determinations of others and the sacrifices made by them for the molding of our futures.

Stacy Budd is an individual whose desire to see Central Carolina Technical College become an educational institution rather than a training center began with his appointment as Chairman of the Board of Trustees of the Industrial Education Center in 1963.

It is our extreme privilege to dedicate the 1980-81 edition of "Cougar Tracks" to the gentleman who has, without question, proven to be a most unique driving force for this institution since his roots were firmly planted on our campus in the early sixties.

The numerous positions Mr. Budd has held include serving as Chairman of the State Advisory Commission to the State Board of Education and participating as an active member in the State-Wide Trustee group. His competence in leadership with CCTC was backed primarily with his experience in earlier years from having served on the Lee County Board of Education.

Infinite acknowledgements can never do justice to this personable individual who has strived for almost two decades to carry education to the people. He remains a staunch supporter of literacy programs for adults and has always maintained that men and women should be equal contenders for opportunity.

On September 4, 1980, Mr. Budd's term as Chairman of the Board of Trustees for Central Carolina Technical College came to an end as he accepted the Vice-Chairmanship of the new State Board of Community Colleges.

With gracious thanks and eager anticipation, we'll await to see ourselves as the reflection of Mr. Stacy Budd's undying, unselfish, and uninhibited attempts to build a competent educational institution and perhaps some sort of a promise for a better life.

CCTC sure knows how to have a good time!

D.J. getting it all together!

We'll show you how to party!

IN MEMORIAM

A Prayer for Animals

Hear our humble prayer, O God,
for our friends the animals,
especially for animals who are suffering,
for all that must be put to death.
for any that are hunted or lost or deserted,
or frightened or hungry.
We entreat for them all Thy mercy and pity,
and for those who deal with them
we ask a heart of compassion and gentle hands
and kindly words.
Make us, ourselves, to be true friends to animals
and so to share the blessings of the merciful.

PUMA LINES

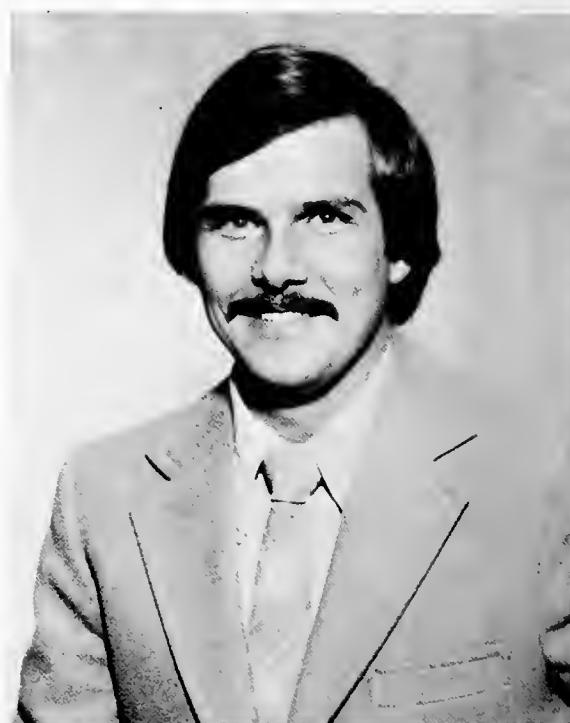

Ruth Mangum
Editor

In the Fall of 1980, the Student Government Association decided after some deliberation to change the mascot of CCTC from the Centaurs to the Cougars. To compliment the new mascot, the editors of the school newspaper and annual also renamed their respective publications. The newspaper formerly entitled "The Ramby Centaur" was re-named "Puma Lines," and the annual was changed from the Cencaro to "The Cougar Tracks."

STOPOVER

Amid the journey of life
We pause to enter the doors of CCTC
In search of something —
An education, ourselves, friends, and a
purpose in life.

As our days at CCTC draw to a close,
We reflect and wonder —
Have we found what we need,
To continue life's journey?
